Your Enquiry Details

Enquiry type: Other enquiry

Enquiry location: 11 Moana Cl, Woree

Enquiry details: I have a nature therapy clinic and church in Woree. I tried to submit a stalking case on your online reporting page <https://www.police.qld.gov.au/policelink-reporting> but cannot find a suitable category, you should consider adding these. I am adding detail here: Two male council workers (Craig Phelps, Daniel Pinto) stalked me on 14 Feb used the excuse of council duty. I have documented the detail of the case on social media by my nonprofit pages, FB statistics show the post had 4.1k views. Short link to the FB posts is <http://1edit.xyz/tool-god>. Jenia Meng is my pen name online. I have requested the council to send someone else to communicate with me about the matter. The council did get a different worker to talk to me. But the two (Craig Phelps, Daniel Pinto) still showed up in my property 7 of May. Can you place some sort of restraint on the two as they have no need to contact me now. And I already report the issue to QLD ombudsman.
